8.01 CGPA

### Diploma in Mechanical Engineering Sakthi Polytechnic College

2018-2021  
82 Percentage

### Kumutha High School

2018  
SSLC - 71 Percentage

## PROFILE

Passionate about web development, I am eager to apply my Knowledge in HTML, CSS, JavaScript and java to contribute effectively to a company's success. Eager to join a collaborative team, I aspire to enhance my skills while making valuable contributions to innovative projects. With a proactive mindset and a passion for learning, I'm committed to driving the company forward and achieving shared goals through dedication and hard work.

## COURSE

### FULL STACK JAVA

#### FRONT-END

I have a strong foundation in HTML5 for creating well-structured web pages, CSS3 for designing layouts and styling elements, and JavaScript for interactive and dynamic content

#### BACK-END

I am skilled in SQL for database management, using Eclipse IDE for Java development, and utilizing Postman for API testing and development.

## PROJECTS

### 1) Stone Paper Scissor Game

An interactive web game where players face off against the computer in the classic game of Stone-Paper-Scissors. Players select their move (stone, paper, or scissors) and see the outcome of each round. Built with HTML, CSS, and JavaScript for a fun and engaging experience.

### 2) EMPLOYEE DETAILS

In my recent project, I utilized MySQL for database management, Eclipse as the integrated development environment (IDE), and Postman for testing and debugging the backend API. MySQL served as the reliable backend database, storing and organizing employee details

## CERTIFICATES

- FULL STACK - JAVA
