PERSONAL SUMMARY

As a highly skilled artist specializing in Animation, Illustration, Digital art, Motion Graphics and Graphic design. With a deep passion for art. I bring a wealth of experience to the table. I have successfully collaborated with multiple startup companies, understanding their unique needs and delivering creative solutions that align with their vision and brand. I thrive in fast-paced environments and am passionate about bringing captivating visuals and storytelling to life. Collaboration is an essential aspect of my artistic process, and I thrive on working with fellow professionals to create impactful projects.

WORK EXPERIENCE

Meiosis Labs Private Limited

Graphic Designer and Animator

Apr 2022 - March 2024

WFH, Delhi

- Built my capabilities in accessing softwares such as Adobe Illustrator, Photoshop and Adobe After Effects.
- Assisted in the creation of 2D animations for educational videos and interactive media.

Yuzu Fashion and Lifestyle Pvt Limited

2D Animator

Sep 2023 - Jan 2024

WFH, Bangalore

- Brought characters to life with smooth movements using Adobe After Effects.
- Developed and implemented animation techniques to enhance character performances and visual storytelling.
- I got to practice creating frame by frame animations, where I drew each individual frame to bring characters and objects to life. It was a meticulous process, but it allowed me to be super creative and have full control over the final result.

The Doodle Desk
