EXPERIENCE

Frontend Developer Intern

Quantum Wave It Solutions

📅 Dec 2023 – Mar 2024

📍 Vijayawada

- UI/UX Design: Utilized **Figma** for designing the user interface and user experience. Figma's collaborative features likely facilitated efficient design iteration and collaboration within the group.
- Front-End Development: Implemented **HTML**, **CSS** and **ANGULAR** for front-end development. Angular's modular structure and TypeScript capabilities contributed to building a robust and maintainable front end, while **Bootstrap** aided in achieving a responsive design.

ACHIEVEMENTS

- Solved over **2000 Coding Questions** on Coding Websites like **Leetcode**, **Hackerrank**, **GeeksforGeeks**, **Codechef** etc.
