- Successfully passed High school from UP Board with 81% in 2010.

Experience

7.2 years of experience in .NET and SQL Server Database.

Designation	**: Software developer**
Company Name	**: Edumass learning system pvt. ltd.**
Projects	**:** Schools ERP on ASP.NET and SQL server.
Date	**:** 1st August 2016 to 11th November 2019
About Projects	**:** The project was being developed for school .Project has many modules but the five most important modules on which I am working are STUDENT,STAFF,FEE EXAMINATION AND COMMUNICATION.C# language is used for developing these projects, visual studio 2010 for front end designing and SQL server 2012 for database.

Roles And Responsibility : I used to develop code according to the requirement of clients. And also communicate with clients to solve their problems. also helps in designing, testing , coding, and implementation according to the requirements

Designation	**: .NET Developer**
Company Name	**: Globtier Infotech pvt. ltd**.
Projects	: Master data managements (MDM Portal).
Date	: 24th November 2019 to Present..
About Projects	: The project is being developed for Relaxo footwear. Project has Basically Some modules(vendor master,Customer master, RM-MIC master, Vendor customer linkage, M2M process,PIR Creation, Export Quatation, etc) All module have different levels of Approval and Rejection, after last approval request goes to MDM login for download the file and then configure this in SAP Tool. this project is developed by using asp.net, SQL server,C#, Java script, CSS, Jquery ,web API etc.

Roles And Responsibility : I used to develop code according to the requirement of clients. And also communicate with Users to solve their problems. also helps in designing, testing , coding, and implementation according to the requirements.

KEY PROJECTS

Project # 1

Project Name	SCHOOLS ERP
Organization	Edumass learning system pvt.ltd.
Client	**Many School**
Team Size	10
Role/Responsibility	Requirement gathering\Database design\reports development\Coding supports\clients interaction
Technology/Tool used	Visual Studio 2012, ASP.NET, C#, SQL Server 2012, Java Script.
Project Type	Web Application

Project # 2

Project Name	ERP for Inventory Management System
Client	Stemz Healthcare gurugram
Team Size	2
Role/Responsibility	Requirement gathering\Database design\ Coding\Client Interaction
Technology/Tool used	Visual Studio 2022, ASP.NET core MVC 3.1 Framework, C#, SQL Server 2018,CSS,Linq, Java Script,Web API (REST).
Project Type	Web Application
Organization	Globtier Infotech Pvt.Ltd.

Project # 3

Project Name	Master Data Management System
Client	Relaxo Footwears Limited
Team Size	4
Role/Responsibility	Requirement gathering\Database design\ Coding\Client Interaction
Technology/Tool used	Visual Studio 2019, ASP.NET, C#, SQL Server 2018,CSS, Java Script, Angular
Project Type	Web Application
Organization	Globtier Infotech Pvt.Ltd.

Training Undertaken

Training #1	:	NITRA
Client	:	MIND CRAFT Pvt. Ltd.
Role	:	Trainee
Duration	:	6 week
Technology	: Java and ANDROID	
Team Size	:	10

Training #2	:	NETWORKING
Client	:	BSNL, MORADABAD
Role	:	Trainee
Duration	:	4 week

Achievements and Co-Curricular Activities

- Participated in On-line Workshop on Computer Programming .
- Secured Third place in technical quiz contest.
- participated on CYBER TERRORISM in national seminar DRISHTI-2015.
- I have been a volunteer in various college activities.
- I have also been a NATIONAL SERVICE SCHEME(NSS) volunteer.

Hobbies :

- Surfing internet
- Reading Book
- Attempting adventures

Personal Information

Name	:	Jyoti Singh
Date of Birth	:	20/07/1996
Sex	:	Female
Marital Status	:	Married
Current Location	:	Gurugram
Permanent Address	:	House no-102 Block-A Shyamkunj Near MarutiKunj Gurugram Haryana
Nationality	:	India
Language Proficiency	:	English, Hindi

"I hereby admit that the information furnished above is true to the best of my knowledge"
