EDUCATION

Banadurai hr.Sc.School in Kumbakonam

Government Arts And Science College Kumbakonam I Bachelor Of Commerce(B.Com) 2023

PROJECTS

Project Name — *Material Maintenance*

Material Maintenance using Java, Oracle 10G, NetBeans 8.2: This project revolved around efficient material management, utilizing Java, Oracle 10G, and NetBeans 8.2. Through this endeavor, I gained hands-on experience in database management, Java application development, and integration with Oracle databases. The project underscores my ability to design and implement practical solutions, incorporating the synergy of programming languages and database systems.

SKILLS

Java Programming

Servlet And JSP

C,C++ Programming

SQL Programming

WebDevelopment

Additional

Achariya Info Tech Certified Java FullStack Developer..

LANGUAGES

Tamil And English
